Castelli Milano a fost dintotdeauna atent la condițiile ambientale și de lucru. Conștienți fiind că fiecare acțiune are impact asupra mediului înconjurător, am decis să acționăm activ în favoarea sustenabilității produselor pe care le realizăm.

În acest proces sunt implicate toate companiile producătorului italian cu standard FCS® și PEFC™ pentru Certificarea Lanțului de producție.

Castelli Milano took always care about environmental and working conditions. Being aware that every action has an impact on the environment, we decided to act actively in favor of sustainability of the products we make.

On this line there are involved all the companies of the Italian manufacturer, being certified FCS® and PEFC™ for Chain of Custody certification.

Protejarea

Procedurile și procesele interne, selectarea materiilor prime și a furnizorilor sunt reglementate conform certificărilor enumerate mai jos.

SENSIBLE
TO
ENVIRONMENTAL
PROTECTION

MINE

MADE IN EUROPE

Această agendă a fost produsă după riguroase procese de producție, fără elemente chimice și produse poluante. Hârtia este obținută din prelucrarea celulozei fără acid. Fabricile de hârtie selecționate de către noi folosesc energie provenită din combustia de reziduri din lemn nefolosit sau deșeuri din procesul de producție.

Produsele noastre sunt produse integral în Europa, după articolele de lucru fundamentate de Comisia Europeană, printre care și interzicerea forței de muncă infantile. Furnizorii noștri de materie primă sunt controlați sau certificați și respectă directivele UE.

mediului

Procedures and internal processes, selection of raw materials and suppliers are found in brands presented in the following catalogue.

Il marchio della
gestione forestale
responsabile

FOREST STEWARDSHIP COUNCIL®

Marca Forest Stewardship Council identifica produse care au în compoziție lemn provenit din pădurile gestionate în mod corect și responsabil după standarde riguroase referitoare la mediul înconjurător, social și economic. Producătorul italian a obținut în 2009 certificarea pentru lanțul de custodie FSC®, iar în 2011 certificarea a fost transformată în Multisito, calificând și înglobând astfel companiile producătorului italian la nivel mondial.

Promoting Sustainable
Forest Management
www.pefc.org

PROGRAMME FOR THE ENDORSEMENT OF FOREST CERTIFICATION SCHEMES™

Producătorul italian a obținut certificarea pentru lanțul de custodie PEFC în 2010.

PEFC este o schemă de certificare internațională care garantează modul în care materia primă lemnoasă utilizată la producerea hârtiei și a produselor din material lemnos provin din păduri gestionate în mod sustenabil.

NOTES / NOTEBOOK

Ecoline GROWBOOK

Crește-ți propriul brad cu Growbook și redă pământului ceea ce i-a fost luat

Instrucțiuni de plantare

1. Pune semințele într-un recipient cu apă caldă timp de 24 de ore. Plantează-le apoi într-un ghiveci cu pământ umed amestecat cu nisip (propoție 3:1)
2. Presară nisip deasupra și stropește cu apă
3. Așează ghiveciul la loc umbros. Când semințele încep să încolțească (după 10-20 de zile), oferă-le acces la lumina zilei și cantitate moderată de apă, evitând prea mult expunerea solară.
4. După aproximativ 2 ani de creștere în ghiveci plantați răsadul în pământ, de preferat toamna (în conformitate cu reglementările locale de plantare).
